We just completed the first ride of the season at Tim's Place

Quote from Rhonda: Tim's place director:

The amazing Sequim Wheelers came to give us bike rides around Carrie Blake Park.

What an amazing day we had!

Wheelers accepting a check from the Sunrise Rotary Club

The Sequim Sunrise Rotary Club donated another \$681 for the benefit of the Sequim Wheelers ... The Rotarians have been and continue to be a great partner for us with both their financial resources and their personnel resources ... Sequim Sunrise Rotary Club will be painting the bike storage "milk shed" in the next week or so ... thank you Rotarians! ...

What does the "ambassadors bureau" do?

These Wheelers would attend various luncheons, resource fairs, manning a booth and answering questions at a festival or farmer's market among other events.

Contact John Gagan to let him know of your interest ... john.sequimwheelers@gmail.com .

It's time to reorder the Sequim Wheelers' stock of rack cards used to advertise our service ... this might be a good time to take a look at our current design and see if we can update and improve on the message we're trying to convey ... Please contact Board President John Gagan if you would like to help ... john.sequimwheelers@gmail.com ...

Ian McKay has been a great friend of the Sequim Wheelers over the years

The Sequim Wheelers try to support Ian by participating in his "Sea to Sound" riding event each August

SEA TO SOUND IS A 70 MILE, THREE-DAY, MULTI-MODAL group ride spanning the entire length of the Olympic Discovery Trail [<https://olympicdiscoverytrail.org/>].

It takes place from August 22-24, 2025
Location: Olympic Discovery Trail, starting at Camp Creek Trailhead.

The event is a fundraising opportunity for Ian's Ride, a 501(c)3 nonprofit.
